

COUNTY OF LOS ANGELES - DEPARTMENT OF MENTAL HEALTH

Long Beach Child and Adolescent Program

VACANCY ANNOUNCEMENT

Psychiatric Social Worker I/II – Spanish-Speaking

This is not an official examination bulletin

The Long Beach Child and Adolescent Program is seeking a qualified, motivated individual who has an interest and experience working with children, youth and their families in outpatient mental health setting.

DESIRABLE QUALIFICATIONS: The program is seeking a highly motivated, self-directed professional with excellent oral, written, interpersonal and clinical skills. Previous experience working with children and youth required and training and/or experience with child focused evidence based practices is a plus. **Ability to provide therapy in Spanish to youth and families is a requirement of the position.**

EXAMPLE OF RESPONSIBILITIES:

- Provide family, individual, group, and case management services to clients, ages 4 to 18, and their families;
- Prepare in-depth diagnostic and psychosocial assessments and service plans;
- Participate in interdisciplinary team meetings and case conferences;
- Serve as Officer of the Day and provide crisis intervention services for walk-in clients, assist with emergency hospitalizations, and take crisis and intake telephone calls;
- Complete clinical documentation and other administrative documentation;
- Perform other duties as assigned by Program Head or her designee.

Please fax or email resume and copies of last two performance evaluations to:
